April 2007

Hello Fellow Club Members,

April kicks off the official start of our fishing season and I wish everyone the best on and off the water. Good luck in all upcoming tournaments.

Speaking of tournaments, mark your calendar for Saturday May 19th 2007 as we present our first annual Moriches Bay Flounder Tournament. Entry fee is \$35.00 per person with 1st to 3rd place awarded according to the sum of entrants. Nevertheless it promises to be a great event and great cash payouts.

Our Shark Tournament is slated for Saturday June 16 2007 with the rain date June 17th. Entry fee is \$300 per boat. Prizes and Calcutta are hefty for this event therefore come out and try for your chance for a piece of the pie.

The 6th Annual Moriches Bay Fluke Tournament will run Saturday July 7, 2007. Entry fee is \$35.00 and prizes will be determined by the amount of participation. This is always a great and fun event where everyone has a great shot at the top prizes.

Lastly, let's not forget our Tackle Mania Event on Sunday April, 29th, 2007. Vendor space is filling fast and we will also have the United States Coast Guard Auxiliary on hand implementing boating safety and equipment.

Our next meeting will be on Wednesday April 11th 2007 at 7 P.M. at Rock Hill Country Club. We will be serving plenty of good eats so skip dinner at home. I hope all will attend.

The March meeting introduced five new prospecting members and I would like to welcome them back to one of the finest fishing clubs around.

Paul and I will be looking for a few volunteers for the mania event as well as the flounder tourney at the meeting to help ease the burden a bit.

Don't forget club dues need to be paid this month and this is the last month to settle in the Calcutta's. The flounder Calcutta was officially closed at the March meeting. Dues are \$75.00 and Calcutta's are \$10.00 per species.

Our Monthly Fish Derby is back and Fish of the Month continues in April with Flounder.

See you at the meeting

Tony Salerno
