

# THE PRESIDENTS CORNER

Publisher Tony Salerno

Volume Number One

Issue Number Five

July 2007

Hello Fellow Club Members,

Well summer is zipping right along and it seems as a lot of members have been busy with weigh slips as a lot of impressive fish are hitting the scales. For the latest status and standings, visit our website at [www.morichesanglers.com](http://www.morichesanglers.com). You'll find our website has dramatically improved with a lot of new info, photos, and up to date events.

Speaking of websites, check out newsday.com and type in "rift at the reef" in the search box and read about reef additions along the south shore and a proposal for an additional Reef off West Hampton 12 miles offshore. You can also post you comments online.

Our shark tourney went off smoothly, unfortunately only one shark was eligible for first place, which was a 221 pound blue dog. The rest of the prizes including a \$4,000 Calcutta were raffled off. All the boats in the tournament had all the blue sharks they wanted at most places, just not legal size for weigh in. Better luck next year.

Don't forget the 6<sup>th</sup> Annual Moriches Bay Fluke Tournament will run this Saturday, July 7, 2007. Entry fee is \$35.00 and prizes will be determined by the amount of participation. This is always a great and fun event where everyone has a great shot at the top prizes.

Our next meeting is at Rock Hill at 8 P.M. on Wednesday July 11<sup>th</sup>. Artie is our Speaker of the Month as he teaches us the fundamentals of offshore kite fishing. It promises to be interesting and educational so please show Artie and the club your support; please attend.

**See you at the meeting**
